In the Deep

IN A COMMUNITY SO DEEPLY CONNECTED TO AND INFLUENCED BY WATER, IT MAKES SENSE TO HAVE ART INSTALLATIONS THAT CALL TO MIND MARINE LIFE AND UNDER WATER SCENES. SIBYLLE PASCHE'S *CORAL FOREST* AND *SECRETS OF THE SEAS* — TWO PROJECTS PERMANENTLY ADDED TO THE CITY'S GROWING PUBLIC ART COLLECTION — WERE HAND-SCULPTED IN WHITE ITALIAN CARRARA MARBLE AND MOLDED TO RESEMBLE CORAL AND OTHER SEA CREATURES. THE SPHERICAL PIECES THAT NOW BOOKEND GIRALDA PLAZA OFFER AN ARTISTIC LINK TO OUR NATURAL SURROUNDINGS WITHIN AN URBAN SPACE.
